

## YORK TOWNSHIP MEETING.

At a meeting of more than one hundred of the Democrats of York Township held at the School house, District No. 3, on the 19th inst. George Bugher Esq., was appointed Pres. Henry Shaffer John Benfor Vice Presidents, Joseph Shull and Moses Bugher Secretaries, when the following resolutions and resolutions were unanimously adopted:

Whereas, our political opponents are already in the field, organized and disciplined for the approaching campaign, they are fully aware that their political existence as a party depends upon their success at the next presidential election, hence they will leave nothing undone that will in the least degree aid their sinking cause. The democracy should therefore, be wide awake and watching; ever remembering that "eternal vigilance is the price of liberty."

Whereas, the carrying of log cabins, con skins and snoring turtles, &c., is considered an honorable employment by the federal whigs, while we look at it as altogether contemptible and disgraceful to the performers, therefore:

Resolved, that we the democrats of York township believe that hypocrisy constitutes the bone and marrow of the whig mode of electioneering.

Resolved, that the attempts of the opposition to label the administration in respect to what they call a standing army either proves their perversion of facts, or total ignorance of the proceedings of Congress.

Resolved, that we have entire confidence in the wisdom and patriotism of Martin Van Buren and Richard M. Johnson, and that the best interests of our country demands their re-election.

Resolved, that every person who refuses to avow his political principles to the world is unworthy of the confidence of the people.

**GERMAN RESOLUTIONS.**

Resolved, that we the German Democrats believe that the whigs of 76 were true Apostles of liberty, and that the present whigs are such characters as christ threw out of the temple; namely money changers.

Resolved, that we believe Wm. H. Harrison to be a real old federalist of the blue light Hart fort convention, and black cockade order.

**SWISS RESOLUTIONS.**

Resolved, that we have bursted the tyrannical bands of oppression in our native country, and we spurn with disdain and contempt the charge which the whigs make against us, that we are ignorant that we do not understand the principles of Democracy, and that if this country was invaded by a foreign foe we would not bare our breasts in defence of its sacred institutions, charges so unjust we believe to be dictated more by ignorance than good sense and more by sense than honesty of purpose.

Resolved, that we can boast of young men who have been educated in America the last five years to a degree that enables them to read all the whig papers in the vicinity and detect their falsehoods also.

Resolved, that we the Democrats of York township oppose the election of W. H. Harrison. Because he is a Federalist of the reign of terror stamp, and when charged by John Randolph with being an open and zealous supporter of the Sedition Law and black cockade administration, he admitted it.

Resolved, that Wilson Shannon, has discharged the duties of his Station in a manner that meets our entire approbation, and will of course be re-elected.

Resolved, that we do not believe in being sold as White Slaves.

Resolved, that we are in favor of a currency based upon constitutional principles, one that cannot expand, contract, and explode, to the ruin of many and the profit of a few.

Resolved, that we will go against the Federal Slang whangers this fall.

Resolved, that the whigs brag with the eloquence contained in the following lines:

Great Harrison he was the one  
To lead the sons of freedom on  
To which we add the following believing it makes them still more complete.

And when they went the foe to find  
Great Harrison he said behind,  
GEORGE BUGHER, Pres.

**THE WHIGS.**—We clip the following paragraph from an article in the N. Y. Evening Post. Its truth will not be questioned by those who have witnessed the movements of the party here for the last few days:—

There was perhaps never a party in existence so sanguine, so mercenary, so easily flattered by small advantages, so much inclined to boastfulness and ostentation, as those who style themselves the whig party. The democrats should learn two lessons from their example—one, never to be disheartened by their bluster—the other, never to imitate a course of conduct which is always certain to end in disappointment and discredit."

**COMMON SCHOOLS.**

At a meeting of the Schools Examiners of Tuscarawas County, Ohio, held at New Philadelphia on the 16th of September, 1840, it was resolved to publish the following regulations for the appointment of Township Examiners, and the examination of teachers for the information of all concerned:

1st. That the regular quarterly meetings of said Board will be held on the third Thursday of October, January, April and July, at 10 o'clock A. M. at the court house in New Philadelphia, for the examination of Schools, and to continue in session for three days at each meeting, if necessary. All applicants for examination who expect to receive certificates must be present on the first day of each meeting.

2d. That a special meeting will be held by said Board for the examination of teachers at the place above mentioned on Thursday, the 22d day of October, 1840, at 10 o'clock, A. M. and on Thursday, two weeks next thereafter, until the first day of January, 1841, to continue in session at each meeting three days if necessary. Every applicant who expects a certificate must be present on the first day of the meeting.

3d. That no township examiners shall be appointed by said Board, except at regular meetings, nor for a longer period than one year, nor in any other manner than upon application in writing signed by the Trustees of the township, which the application is made in which application shall be lodged with the clerk of the Board at least thirty days previous to the quarterly meeting at which said publication shall be considered; which said application shall present the names of the persons whose appointments are required, and be accompanied with testimonials of qualifications of the persons thus proposed, provided, nevertheless, that such ap-

plication shall not be acted upon by said Board, unless it shall be made in a satisfactory manner that notice of the filling of such application, together with the names of the persons proposed for such examiners, shall have been published in some newspaper printed in said Tuscarawas county, or posted up, in writing, in three of the most public places in said township, at least three weeks previous to said quarterly meeting at which said application, is to be considered.

## In Chancery,

COURT OF COMMON PLEAS OF TUSCARAWAS COUNTY AND STATE OF OHIO.

NOTICE is hereby given to said John E. Lyons, Sebastian Brainerd, Stephen A. Baldwin, Norman C. Baldwin, Stephen A. Baldwin, and Norman C. Baldwin, that said bill of Complaint in Chancery in the office of the Clerk of said court, against said defendants, that said bill alleges that Complainant recovered judgment for the sum of about \$6708.65, besides costs, which amounted to about \$20.38 against said John E. Lyons, Sebastian Brainerd, Stephen A. Baldwin, and Norman C. Baldwin in the court Common Pleas within and for the County Cuyahoga, and state of Ohio at its May Term 1840, that said judgment remains in full force, unreversed and unsatisfied—that on the 13th day of May 1840, execution issued on said judgment to the sheriff of Tuscarawas County, Ohio, and that by virtue of said execution and to make the money on said judgment the sheriff of Tuscarawas County, levied said Execution on the following described lands and tenements, the property of said Sebastian Brainerd, which after being duly appraised and advertised and offered for sale by said sheriff remains unsold for want of bidders—that the lands and tenements thus offered for sale aforesaid are described as follows to wit: "Lot No. 49 containing 117 acres Lot No. 50, containing 108 acres, Lot No. 39 containing 100 acres, Lot No. 40 containing 158 and Lot No. 38 156 acres with a reserve of eighty acres sold to William Swayby from the East side of said Lot by Sebastian Brainerd all which said tracts are situated in the 2d quarter Township No. 9 range 2 in Tuscarawas county Ohio.—Also one other tract of land situated in Rush Township Tuscarawas county Ohio, and known as the North west q. of Sec. No. 25, p. 13 in R. 7 of the Steubenville District containing 100 acres with a reserve of 5 acres off from said quarter sold by said Sebastian Brainerd to Joel Vail which has been surveyed and set off on the side next to said Vail house, and a reserve of 70 by 150 feet described in a deed from said Sebastian to Henry Carter. Said bill also alleges that said Sebastian Brainerd just previous to the rendition of said judgment and for the purpose of preventing said Complainant from recovering the same conveyed said lands and tenements to said Lawrence Brainerd and that said Lawrence purchased said lands and tenements for the purpose of preventing the Complainant from recovering said judgment. That said Lawrence Brainerd paid no money or consideration, nor gave any notes for the purchase money of said lands and tenements to said Sebastian Brainerd, for the same or if any notes were given they were given on long time to prevent said Complainant from collecting its said judgment—said bill also alleges that none of said defendants to said judgment have any property personal or real on which an execution at law can be levied.

The prayer of said bill is that on its final hearing the court will decree said sale of said lands and tenements from said Sebastian to said Lawrence Brainerd, to be null and void and that said lands and tenements be sold to satisfy said judgment, in favor of said Complainant and for such other relief as the equity of the case may require. Said bill will be for hearing at the next Term of said court of Common Pleas of Tuscarawas County Ohio.

**THE PHILADELPHIA CASKET.**  
UNPARALLELED SUCCESS  
PROSPECTUS OF A NEW VOLUME.  
The great increase in the subscription list of the Casket since the first of the year, warrants the most extensive improvements on the first of July next at which time a new volume will be commenced with increased vigor. (Nothing need be said of the firm basis on which the Casket stands in being already the oldest magazine in the country.)

**TYPE-EMBELLISHMENTS.**

**A Casket** is printed with a clear and silvery type, upon the finest white paper. The illustrations are not surpassed by those of any periodical at home or abroad and beside the most stylish and elegant engravings of colored plate fashions has lately been added. The style of these embellishments is unequalled, and they are always accompanied with an apt sketch. No wood cuts disgrace the work; whatever appears in the Casket is of the first order of the art.

**LITERARY CHARACTER.**  
The literary character of the Casket is well known. It is wholly original, of the highest order, and sustained by WRITERS OF THE FIRST RANK. Essays, Tales Sketches, and Travels, compose its prominent price articles while the poetry is equalled by that of no other magazine of like character. The variety for which the Casket is celebrated, shall suffer no diminution; but on the contrary, every exertion shall be made to increase its interest.

**SEVERAL ROMANCES OF THE REVOLUTION** have already appeared, and others shall follow in the course of the volume, presenting, when finished, a complete picture of the manners and a historical account of the great battles at that time. Thus, the Casket, instead of being filled with sickly sentimentalities, aims at a true delineation of human nature in every variety of passion.

**TIME OF PUBLICATION.**  
The Casket is published on the first of the month in every quarter of the Union. The most distant subscribers consequently receive it on that day, as well as those who reside in Philadelphia. In all the principal cities agents have been established, by which means subscribers can obtain their copies free of postage.

**FASHIONS.**  
The fashioners published, in the Casket, are often as really new styles arrive from Paris. The engravings are colored, and executed from original designs. No old, worn out plates retouched and then published as the latest fashions. The truth of our designs may be tested by comparing them with the latest description of dresses from London and Paris.

**TERMS.**—Three Dollars per annum, or two copies for Five Dollars. Published by  
GEO. R. GRAHAM,
